Case No. 2:25-cv-00006-JAD-BNW

ORDER

10 Before the court is pro se Plaintiff's ex parte motion to reassign magistrate judge. ECF
11 No. 3. Having considered the motion, the undersigned is not persuaded that she must recuse from
12 this case. As Plaintiff points out, 28 U.S.C. § 455 requires judges to recuse in any proceeding in
13 which their impartiality might reasonably be questioned. Here, Plaintiff argues that recusal is
14 necessary because the undersigned is the magistrate judge in another one of Plaintiff's cases. The
15 two cases involve different defendants, facts, and claims. *See* ECF No. 3 at 4. Plaintiff's
16 argument, without more, does not explain why the undersigned's impartiality might reasonably be
17 questioned in this case.

18 IT IS THEREFORE ORDERED that Plaintiff's ex parte motion to reassign magistrate
19 judge (ECF No. 3) is DENIED without prejudice.
